

American Recovery & Reinvestment 2009 Asheville, North Carolina Community Portfolio

Community Project Proposal Guidelines

This form is intended for use for proposing a community project that meets the intent and guidelines set forth in the American Recovery & Reinvestment Act of 2009. Complete text of the act is available at http://www.rules.house.gov/111/LegText/111_hr1_text.pdf. Information must be limited to the two pages included in this form.

Proposals may be submitted by:

- E-mail to economicrecovery@ashevillenc.gov;
- Fax to (828) 259-5499, or;
- Mail to P.O. Box 7148, Asheville, NC 28802, ATTN: Economic Recovery

If you require any assistance in preparing a project proposal or have questions about the process, please e-mail economicrecovery@ashevillenc.gov.

In the interest of government transparency and public participation, all submitted information will be made available to the community. Please do not submit information considered to be confidential or proprietary. Submitted proposals will be posted at www.ashevillenc.gov/economicrecovery for public review.

American Recovery & Reinvestment 2009

Asheville, North Carolina Community Portfolio

Project Information

1. Project Description

Please include a brief project description.

This project includes the Installation of approximately 6,500 linear feet of sanitary sewer line in the Sardis Road Area. Several properties in this area are served by septic systems.

2. Project Purpose

Please describe the project's public purpose and benefit.

The purpose of the project is to provide public sanitary sewer to properties that are currently served by septic systems. Public sanitary sewer conveys and treats sewer in a more environmentally friendly manner than septic systems. Additionally, public sanitary sewer systems protect public health because the sewerage is treated before it enters our streams and underground water supplies.

3. Project Cost

Include the total project cost

\$1.8 Million

4. Job Creation

Estimated number of jobs created by project.

5. Project Schedule

Include start and finish dates for the project.

5a. Project Schedule

Can the project be contracted and commenced within 120 days? Please indicate yes or no.

6. Goal Alignment

Briefly describe how the project will achieve the goals of the American Recovery & Reinvestment Act.
